Worthy Brothers,

The Brothers of Monterey Parlor #75 would like to introduce and endorse to you for the office of Grand Marshall, David "Kiwi" Yarborough.

Brother Yarborough has been an exemplary member since joining our order. He has traveled throughout the State visiting Parlors assisting many Grand Officers of the Native Sons of the Golden West in their duties. David brings a sense of humor like no other in our order. He is one loyal and memorable Brother. David will stick up for his Brothers when no one else will. He exemplifies what is "For the Good of the Order".

Kiwi has held many positions in the Native Sons of the Golden West, currently he serves as the Grand Inside Sentinel, he has been Grand Outside Sentinel, District Deputy for District # 14 and he wishes to proceed through the chairs to this next step of Grand Marshall for the Incoming Grand President Carey Pearce who fully endorses him for this position.

If you are looking for a true leader just look what he had previously done as a member of Sonoma Parlor #111. He spearheaded the security teams for many years, at all civic activities in the community as well as traveled throughout the State with Past Grand President Dean Zellers in his many travels as Grand Trustee.

After careful consideration of the candidates, we ask that you give your vote to our candidate for Grand Marshall David "Kiwi" Yarborough Monterey Parlor #75.

Sincerely,

Kathlene Rapozo Pearce  
President Monterey Parlor #75
