

With the full support of his Parlor, we are proud to announce the campaign of Jeffery A. Schmidt for re-election to the office of Grand Trustee in the fraternal order of the Native Sons of the Golden West. Jeff came to the Native Sons with a “what can I do to help” attitude. His Mother’s 50 plus years in the Native Daughters helped instill in Jeff a love for California, affection for history, a reverence for tradition, and generosity towards his brother’s and his community. In 2010 Parlor #91 needed a committee chairmen to re-investigate its ownership of the Josephine Mine Cemetery property and Jeff didn’t hesitate to volunteer. Never relenting he took a project that had been fallowing for 30 years and provided the leadership needed to take it where it is today.

Again never shying from responsibility Jeff was elected as our Grand Outside Sentinel in 2012, Grand Inside Sentinel in 2013, and our Grand Marshal in 2014. He has been elected three times to the Board of Grand Trustees, serving twice as Secretary of the Board and currently as the Chairman of the Board.

Jeff has many talents that he has brought to our order. His thirty years of experience in corporate America as a regional sales/marketing director has given him many skills. Jeff has helped to improve his own Parlors level of organization, communications, and interactions with other parlors. He is tempered by a firm belief in mentorship, a love for personal interaction, and true belief in the importance of our traditions. Parlor #91 believes Jeffrey A. Schmidt’s presence on the Board of Grand Trustees will be nothing less than a spectacular experience for our order. He will help bring innovation, and progression to the order. He is a passionate believer in our oath and our mission. Please join us in supporting Jeffrey A. Schmidt for re-election to the Board of Grand Trustees.

Respectfully submitted  
In Friendship, Loyalty and Charity  
Georgetown Parlor #91
