

VALLEJO PARLOR #77 NATIVE SONS of the GOLDEN WEST

Established March 6, 1886

Worthy Brothers:

The brothers of Vallejo Parlor #77 would like to introduce to you for the Office of Grand Marshall, Walter L. Schnirzius.

Brother Walter has been an admirable member since joining our Parlor. He has traveled from North to South in California, visiting many of the N.S.G.W. Parlors.. Walter has attended many Dedications and Historic Markers. Walter loves two things, the Native Sons and the Improved Order of the Red Men.

Walter has held positions in the following organizations Redmen, V.F.W., California State Grange and currently is First Vice President of Vallejo Parlor #77, and District Deputy of Byron Parlor #170.

To Brother Walter, The most prestigious position is Grand President and the next position is Grand Marshal. This position, Grand Marshal is sought after by many Brothers. Walter is looking forward to being Grand Marshal traveling the State, making new friends and doing the work that needs to be done.

WE ask you Brothers to consider all of the alternatives and come to the same conclusion as Vallejo Parlor #77. Walter is the best man for Grand Marshal!

Sincerely Yours, In Friendship, Loyalty, and Charity.

Matt Steinberger

President Vallejo Parlor #77
